

**Los Paseos Neighborhood Association
Board Meeting Minutes**

Thursday, July 8, 2021

Via Zoom

Board Members attending: Greg Peck, President; Karen Lattin, Vice-President; Barbara Canup, Treasurer; Lynne Steele, Secretary; Alan Chan and Herb Bowen, Members-at-Large. Guest Wyman Pang.

The meeting was called to order at 7:08 pm.

Memorial Bench in Pos Paseos Park

The parents of a young man from school asked about putting a plaque on the back of a bench in the park as a memorial to him. Herb asked if the city has a procedure for that. It was stated that we cannot put a plaque on an existing bench. Suggestion brought forward to add a new bench with a plaque or add a rock with his name on it to the Native Plant Garden. LPNA cannot fund but the parent or the community might consider it. More information is needed.

** A motion to proceed with addition discussion passed and was seconded.

CERT

Wyman and Herb said training isn't available in our district. Wyman will set up a radio use training exercise for Nate and Jeff Wagner and other interested neighbors.

Discussion of antenna testing and exploring other future options for communication.

Safe Parking

LifeMoves contract ended June 15; they did not renew it. Herb reported that people had to move and the City doesn't have another contract in place; it could be 4 months to renewal. Herb contacted a local church to see if their parking lot can be used temporarily from 7 pm to 7 am. He will follow up.

National Night Out , August 3, 2021

Crimson Blues Band and the ice cream vendor have committed. We will keep it simple with chalk art contest, packaged snacks, bottled water and a hand washing/sanitizing station. We have posters, banners and NNO Lawn Signs to place. Vendors will have free tables. Barbara will send out and track the budget.

Vendor suggestions include Intero Real Estate, 4H Clubs, Boy Scouts/Cub Scouts and Girl Scout troops, Great Oaks Water, Santa Teresa Library, Green Foothills, Open Space, Home First, Grocery Outlet, WERC, CERT. Barbara will keep a list of committed tables and volunteers.

We also need a sign in sheet and greeter table with snack tickets. We also need volunteers to set up, cleanup and man several LPNA tables.

Opportunity Housing

No neighborhood association except Santa Teresa has officially opposed or approved. Sergio has not made up his mind.

There was a lengthy discussion about the pros and cons.

Policy, following the study, may be written for just transit district areas, although the Task Force says open it up to the entire city.

ACTION: Greg and Karen may draft a letter to LPNA members asking for feedback and requesting members to send responses to the entire council.

ACTION: Greg will consider an agenda item for the September meeting to include a youth liaison position or a new member-at-large position Nate could fill. He is interested and could bring in a younger demographic to the organization.

The meeting adjourned at 8:51 pm.
